At a meeting of the Board held this day it was,
Resolved, That from and after the first Monday in January instant, this Bank will redeem with specie or its equivalent, all of its Notes of the denomination of five dollars, and also, all of its Change Notes, and that from and after the first Monday in February next, it will redeem in like manner all of its Notes of the denomination of ten dollars.

EAGLE HOTEL,
FOR SALE, Canton, Miss.

THE subscriber being desirous to retire to a private life, offers this well known Tavern Stand for sale on accommodating terms, one half of the purchase money will be required in hand, or in 60 days, the balance one and two years will be given. Canton is, without doubt, one of the most desirable situations in the South, and bids fair to become in a short time the most business place in the interior of the State. No town in the State has more inducements than Canton, being entirely healthy, and in a rapid state of improvement, and a certainty of the advantages of a Rail-road in a very short time. This stand being the nearest to the Depot, will add greatly to the increase of business, and it is well known that Canton is the garden spot in Mississippi. A further description is considered needless.

There are three lots running from street to street, 200 feet in front, running 400 feet back. The buildings are entirely new, fourteen separate rooms, a dining room, fourteen separate rooms, a kitchen and room forty feet in length, kitchen and smoke house, a large stable 100 feet long, a good crib and carriage house, a large garden in a fine state of cultivation, a large cistern sufficient to supply the house with water.

ALSO—Can be had if required, a Small Farm, eighty acres, one mile from town, the most of it in a good state of cultivation, timber enough to furnish the house for years; two wagons and teams can be had if wanted; five or six choice milk cows; a fine lot of stock hogs; all of the above articles can be had, or the Tavern alone, being determined to sell, a bargain will be given. The public are invited to look to their interest and not neglect this offer, but give a call and examine the premises.

The house will be kept up until a sale is effected, and every possible attention paid to those who may continue to call.

M. C. CAYCE,
Proprietor.
